Complying with state regulation when handling state funding is a requisite. One of the biggest challenges local officials have is to fully understand the changes and application of these regulations. This FCCMA regional training will bring two very important state agencies together to informally discuss the requirements for the CDBG Small Cities program and the updated FEMA regulations. This is a rare opportunity for local managers in the region to come together with their key staff members and join their peers in an informal discussion with experts on these two important state-run services.

### **SPEAKERS**

- Roger Doherty, FCCM, CLEP, Planning Manager for the Small Cities CDBG Program at the Florida Department of Economic Opportunity
- Evan Rosenberg, Chief of Recovery, Florida Division of Emergency Management

The cost for the training is \$74 per person and \$40 for students if you pay by check. Those who register and pay online will receive \$25 off the registration fee (\$49 per person/\$15 per student). Lunch is included. The deadline for registration is Monday, March 13<sup>th</sup>. No refunds will be given after the deadline.

If paying by check, complete the registration form and mail to: FCCMA, P.O. Box 1757, Tallahassee, FL 32302.
