FCCMA Onsite Training Session "Infrastructure Financing for Utilities"

Friday, October 6, 2017 · 9:30 am – 2:00 pm
Room 102, Wilson Rivers Library and Media Center,
Gateway College, 149 SE College Place, Lake City
ICMA Practice Areas: 3, 5, 10 and 13

REGISTER AND PAY ONLINE AND RECEIVE \$25 OFF REGISTRATION

Capital projects for utilities are an ongoing responsibility and concern for local governments. Those governments that fail to address this responsibility are certain to face catastrophic financial situations in the future, with very limited options to respond. How best to fund those future obligations depends upon several considerations that each local government must evaluate to make responsible decisions. The presenters for this program will discuss this important subject and will use real examples to highlight funding opportunities and the techniques to utilize these funding solutions.

SPEAKERS:

- Jason Shepler, Vice President for Environmental Services, Mittauer & Associates, Inc.
- Greg Lang, Vice President for Community Development, Mittauer & Associates, Inc.
- Steve Minnis, Government Affairs Director, Suwannee River Water Management District
- Heather Encinosa, Attorney Nabors, Giblin, and Nickerson

The cost for the training is \$74 per person and \$40 for students if you pay by check. Those who register and pay online will receive \$25 off the registration fee (\$49 per person/\$15 per student). Lunch is included. The deadline for registration is Friday, September 29th. No refunds will be given after the deadline.

If paying by check, complete the registration form and mail to: FCCMA, P.O. Box 1757, Tallahassee, FL 32302.
