

FCCMA 2017 FALL SYMPOSIUM

Local Government Enterprise Resource Planning Systems: How Best to Acquire, Upgrade and Master the Proficient Operations of Local Government Services

Thursday, November 30, 2017 • 9:00 a.m. - 4:00 p.m.
Lakeside Community Center • 1999 City Center Circle • Port Orange

ICMA Practice Areas: 3, 7 and 11

**Co-sponsored by Florida Local Government
Information Systems Association**

Enterprise Resource Planning (ERP) systems are the backbone of most organizations, serving as the basis by which the finance, human resources and procurement departments operate, and they have expanded to include other services. ERPs are a 21st century cloud-based system that allow access from iPads and mobile devices.

The fall symposium will expand upon FCCMA's November webinar on this same topic. During this symposium, speakers provide details and examples of the topics, and they will offer attendees practical approaches and solutions to their unique challenges.

This is an exceptional training opportunity for staff members who are responsible for finding solutions for service delivery, especially technology and procurement staff members, to attend.

The cost for the training is \$100 per person and \$50 for students, if you pay by check. Those who register and pay online will receive \$25 off the registration fee (\$75 per person/\$25 per student). Lunch is included. The registration deadline is Monday, November 21. No refunds will be given after the deadline.

TENTATIVE AGENDA

8:30 a.m. - 9:00 a.m.	Registration
9:00 a.m. - 9:15 a.m.	Welcome by FCCMA
