## Florida Local Government Coalition Local Works Day - October 3

For the second year, the Florida Local Government Coalition will promote its "Local Works" campaign as a way to help Floridians understand, appreciate and support local government and the services and value these governments bring to millions of lives each day. Click here to learn more. To support the "Local Works Day" initiatives, the coalition created a brief viral video that communicates the value of local services. On October 3, please help spread the word by sharing this video on your website(s), social media platforms and distribute it to your friends, families and colleagues! Local Works Day was launched by the coalition, and the goal is that all local government association partner will participate in a unique and meaningful way.
