The 2017 Florida City and County Management Association (FCCMA) Scholarship Program

The 2017 Florida City and County Management Association (FCCMA) Scholarship Program

FCCMA offers two academic scholarships: the **B. Harold Farmer Scholarship** and the **Raymond C. Sittig Scholarship**.

BACKGROUND

The **B. Harold Farmer Scholarship** was initiated in 1992 in honor and memory of B. Harold Farmer, a FCCMA past president, who served as a mentor for many Florida city and county managers. Mr. Farmer worked in municipal government as a city manager for about 25 years and helped establish the Florida Innovations Group, now the Alliance for Innovation. This scholarship honors Mr. Farmer's commitment to professional local government management and the use of innovation to deliver services to Florida residents.

The **Raymond C. Sittig Scholarship** was initiated in 2014 in honor and memory of Raymond C. Sittig, long-time executive director of the Florida League of Cities and champion of Home Rule powers. Ray came to Florida to become a city manager but instead of working for one city he was a champion for all cities. He served as executive director for 25 years and when he retired he was named executive

director emeritus. In 1978 Ray agreed to be the FCCMA's administrator out of respect for the profession and his desire to build a strong relationship between FCCMA and the FLC.

THE AWARD

The scholarship recipients will be recognized at the FCCMA Annual Conference May 31 - June 3, 2017. The recipients will each receive a \$2,500 scholarship and an all-expense paid trip to the Conference. The major non-monetary benefit of the scholarships is the networking opportunity available at the Conference. More than 200 city and county managers and many of their management staff attend.

The scholarships also include a one-year complimentary membership to the Florida City and County Management Association (FCCMA) and to the International City/County Management Association (ICMA).

ELIGIBILITY AND SELECTION CRITERIA

Students must be enrolled during the summer or fall of 2017 and be pursuing a bachelor's or master's degree in public administration in a program that has been established at least five years and is administered through a campus in Florida.

The scholarship recipients should demonstrate a strong commitment to pursuing a career in local government management, successfully

balance both school and personal endeavors, understand the ICMA Code of Ethics and the council/manager form of government and can commit to promoting the subsequent year's scholarship program.

A COMPLETE SCHOLARSHIP PROGRAM APPLICATION MUST INCLUDE:

- » A completed application form,
- » Proof of acceptance into a public administration program,
