FCCMA Onsite Training Session

*"Respect and Civility in Local Government:
Tips and Ideas for a Local Government Employee"*

"In today's 24-hour news media and social networking environment, local government employees are challenged with how to respond to misinformation, micro-analysis, and disrespectful comments. Tallahassee Assistant to the City Manager Michelle Bono and Chattahoochee City Manager Lee Garner will lead a discussion of this topic and offer attendees an opportunity to identify "real issues" and work through ideas on how best to prepare and respond to their challenges. This is a must attended session for anyone who has had to deal with this issue and an excellent opportunity to work with your colleagues."

Speakers:

- Michelle Bono, Assistant to the City Manager, City of Tallahassee
- Lee Garner, City Manager, City of Chattahoochee
