The FCCMA is committed to supporting students pursuing education and careers in public administration.

We offer up to four academic-based scholarships: the B. Harold Farmer Scholarship ($5,000), the Raymond C. Sittig Scholarship ($5,000) and two Aspiring Professional Manager Scholarships ($2,500 each). Recipients are chosen based on students’ ability to demonstrate their understanding and support of local government management and the principles on which each of these scholarships was founded.

Initiated in 1992, the B. Harold Farmer Scholarship is given in honor and memory of B. Harold Farmer, an FCCMA past President, who served as a mentor for many Florida City and County Managers. Farmer served as a City Manager for nearly 25 years and was instrumental in the creation of Florida’s Alliance for Innovation. This scholarship honors Farmer’s commitment to professional local government management and the use of innovation to deliver services to Florida residents.

The Raymond C. Sittig Scholarship, initiated in 2014, is given in honor and memory of Raymond C. Sittig, longtime Executive Director of the Florida League of Cities (FLC) and champion of Home Rule powers. Sittig came to Florida to become a City Manager, but instead of working for one city, he was a champion for all cities. He served as the FLC Executive Director for 25 years. In 1978, Sittig agreed to be the FCCMA’s administrator out of respect for the profession and his desire to build a strong relationship between the FCCMA and the FLC.

Initiated in 2018, the Aspiring Professional Manager Scholarships are given to help individual students with a strong commitment to pursuing a career in local government management offset educational expenses.
