

AREAS OF LOCAL GOVERNMENT EXPERTISE

Florida Senior Advisors FCCMA/ICMA

FCCMA's **SENIOR ADVISOR PROGRAM** continues to expand its support for the membership through a variety of services.

Our **SENIOR ADVISORS** acquired extensive and diverse areas of expertise while in active service to their communities. They are willing to share this knowledge and experience with members. If you and/or your community are facing an issue or embarking on a program that our team members have knowledge or experience addressing, call or email one or several of us. Discussions regarding subject matter issues can be confidential. If more in-depth discussion and review are desired with you and/or staff, a site visit can be arranged.

The contact information for our **SENIOR ADVISORS** is on the right, and listed below are their areas of expertise. Please note that you are not restricted to discussing your issues with any particular member of our team.

We will continue to seek out ways to bring added value to the profession through these dedicated volunteers and make the program more useful to you and your staff.

Please share your ideas on how we can improve and expand the services of our program.
